

We ask that you make every attempt to be punctual, as one late arrival can affect our whole day. We strongly advise that you allow ample time for your appointment as colour work in particular can vary due to a number of factors. If you prefer, before you make an appointment, a free consultation is available, also ask at reception.

Whilst all our team take every precaution possible to protect your clothing and care for your jewellery we recommend the removal of articles that may be damaged. We do of course provide gowns for your convenience. We would ask clients to kindly not smoke in our salon and that the use of mobile phones are limited in consideration to the staff working on your hair and of course other clients.

All our team hope you enjoy your experience at our salon. Any comments would be highly appreciated.

Thank you!
